Energy Smart rebates are available only for existing residential Energy New Orleans customers. Qualifying products must be installed at the installation address specified on the rebate application. Rebate valid only on new qualified appliances; reconditioned or resale equipment is not eligible for a rebate. This rebate offer cannot be combined with another offer from Energy New Orleans. Rebate cannot exceed purchase price of the product. Rebate applications must be submitted within 45 days of purchase and must be postmarked or submitted online no later than February 14, 2026. Late submissions will not be accepted. Offer expires December 31, 2025. Please allow 4-6 weeks from the date of receipt of your valid rebate application to receive rebate. Rebates will be issued in the form of a check and mailed to the contact name and address provided on the application. Energy New Orleans is not responsible for lost, late, damaged, misdirected or incomplete submissions. Please retain a copy of submitted documents for your records. Please visit our website for full terms and conditions.
